## August 2015 Beeline

This year we are not holding our Harvest Festival in late August, however we are participating in [Alberta Open Farm Day](#) August 23rd and many of your favourite activities will be a part of the new event. Admission is free and the ever popular Chinook Honey donkeys will be making an appearance. Mead and honey tasting will be available as well. Our normal Sunday tour schedule will be expanded to two Beekeeping Workshops at 12 and 2 pm with open hive demonstrations (weather permitting) and two Meadery Workshops at 1 and 3 pm. Special pricing for the day – take both tours for the price of one! Make this a day to celebrate farming in Alberta and take in the wide variety of Open Farms around Calgary.
