December 2014 Beeline

['Christmas at the Hive' special Saturdays](#) started last weekend (when the temperatures dipped to record lows). Luckily we didn't have outdoor activities planned. The next two Saturdays will be much more conducive to frolicking in the snow. This Saturday will feature Beeswax Snow Candles and a Fun Winter Hat competition. The Snow Candles have always been a favourite at past Christmas events and once again all the proceeds (at \$2 per candle) go towards the Foothills Country Hospice. In addition you can visit with the donkeys, and our snow hill is ready for sliding. Come, wear your most outrageous winter hat and enjoy some winter fun and fun-draising!

For more news, and other updates from the honey farm, please visit our [December Beeline!](#)
