June 2015 Beeline

Honey bee swarms are occurring earlier this year. Find out why and how it all happens, including a [video](#) of our latest swarm catch.

[Millarville Farmers Market](#) starts again June 13th and it will be a great day to experience the sounds, smells and tastes of this great outdoor venue.

Other exciting events happening this month:

Father's Day falls on June Sunday 21st and a trip to Chinook Honey would be a very unique gift. All dads will get a free 'Bee to Bottle' tour at 2 pm that special day.

Our very first [Horde at the Hive](#) event takes place the weekend of *June 27th & 28th*. This will be a great opportunity to learn about Viking Cultures from the 8th to 10th century. With an authentic Viking Village on site you will see how they lived and witness battle re-enactments as well. There will be a chance for children to participate in safe battles afterwards.
