March 2016 Beeline

Hivelihoods

March in Alberta has certainly felt 'lamb like' so far, although some of our winds have sounded 'lion like'. Either way, the bees are pretty happy being able to collect pollen from pussy willows this early in the year and we've already been out to inspect and feed them.

Mead Matters

Yes! We finally have a name for our new mead! After all of us sifted through over 600 entries we finally chose just one.

Recipe from our Kitchen

Easter Sponge Roll with Honey Lemon Syllabub

This light, flavourful dessert is easy to make and will be the perfect finish for a big Easter meal. Like the posset featured last month, a syllabub is a heritage dessert from 17th century England. Wonderful with a glass of mead!
