### Product of the Month

### Honey Apple Butter Buzz

Honey Apple Butter Buzz combines the best of our honey and mead with crunchy BC Spartan apples. Carefully milled and slowly cooked, the end result is a rich, creamy 'butter' useful wherever you might use that well known dairy product. In fact, if you want to avoid dairy, this is a great alternative. We've used it in desserts, main courses as well as on our favourite sandwiches. Give it a try - you can't go wrong! Available in 190ml (\$7.50)

### Mead Matters

Staff taste tests this week determined that the newest batch of Cherry Mi Amor is ready to bottle.
